Case No. 4:17-cv-00266-BCW

REQUEST FOR EXCLUSION FROM MISSOURI-WIDE CLASS ACTION

I OPT OUT OF THE MISSOURI-WIDE CLASS-ACTION seeking unpaid wages under Missouri law against Saint Luke’s Health System, Inc. and/or Saint Luke’s Northland Hospital Corporation (“Defendants”). I understand that by opting out of this Class Action, I will no longer be a member of the Missouri-wide class, I will not be eligible to receive money from any settlement or judgment in the event Plaintiff prevails on any of the class claims, and I will not be bound by any unfavorable judgment entered against the Missouri-wide class. I further understand that by opting out, I retain whatever right I might have to assert my own claim against the Defendants relating to unpaid wages under Missouri law, but the statute of limitations period on my claims will continue to run.
